“ My sympathies for Allen’s family. I remember how fun it was playing with him as a child as our parents were family friends.

I recently moved back to Manitowoc and have thought about him several times. I’m so sorry I didn’t look him up.

“ Al and I were childhood friends. We spent a lot of time at each other's houses during our St. Boniface days. Kind of lost touch over the years but I always had fond memories of him!

“ I always enjoyed seeing Al in the audience when my band performed. He made many trips and enjoyed them. I also recently showed him a picture of what I think was a kindergarten or a grade shortly after and he nailed every name of each kid on the photo. What a memory he had. He was a great man and will be missed by many. My condolences to his family members as I will be out of town on the 12th.

“ So very sorry for your loss. I worked with your dad for many years at the library and always enjoyed our talks about baseball and his kids. Saw him from time to time since we both retired from our jobs but hadn’t seen him in awhile. He did such great work with his signs and his lighted bottles. He will be sadly missed.
